Sourcing of Textile Made Ups

To Our Valued Customers ;

Our company comes from a long history of tradition in apparels Manufacturing and we still carry this tradition forward in fashion, quality, durability and consistency

Keeping tradition does not mean never changing. While some of our style numbers remain the same, many of our products have changed for the better - fabrications, more sizes and colors, up to date styling - all improvements made with you our customer in mind.

We are also excited to announce that we now have no minimums and maximum. As an authorized dealer and /or distributore, you can now purchase direct from our factory.

During the history of our company, we have designed and manufactured apparels for many brand name clients in corporate identity and uniform wearable products. In addition, the items in our catalog, we can produce and design for you or to your customer's requirements. Even though the label bhuyantex label is few years old, but our tradition and experiences of manufacturing private label apparels is over 50 years old.

For those of you who haven't tried our product in awhile- come and take a new look- we took a good, quality product and made it a whole lot better.

We truly apperciate your loyalty though the years and we look forward to serving you for years to come.

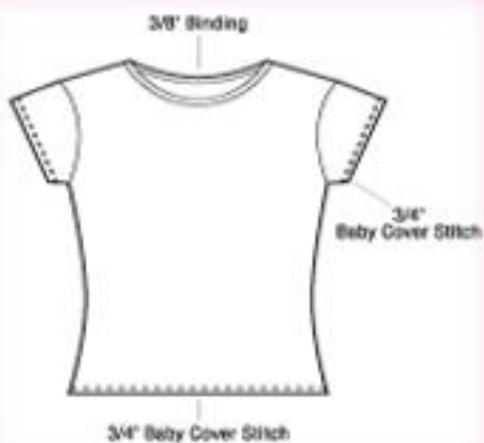

Warmest Regards
